

Starpoint Flower adapted from a hand-knit design of Nicky Epstein

Picture above flower edge has been felted with needle felter.

Double Bed

Use a 3 ply yarn.
Cast on 6 stitches
back bed and front
bed.

Move 1 stitch of BB
& FB out 1 stitch on
the right. Knit 2
rows.

Move 2 stitches of
BB & FB out 1 stitch
on the right.
Knit 2 rows

Continue next moving 3 then 4 stitches etc out to the right until you have 12 stitches in total.

Cast off 6 stitches from the right leaving 6 stitches in work.

Repeat this 5 times – you will have 5 points. *(see photo on the left)*
Cast off all stitches.

Using a thread draw up through where the 6 stitches begin and pull. This will form a circle drawing in to produce the 5 points.

The original 6 stitches will be pulled up gently forming the centre of the flower. Sew cast on edge to cast off edge forming a flower.

Sew a bead or button in the centre to enhance flower.

Multiple flowers can be made into a scarf or to decorate garments, cushions etc.
